OUR TOWN!

Our town is Ponte San Giovanni and we want to describe it also with photos.

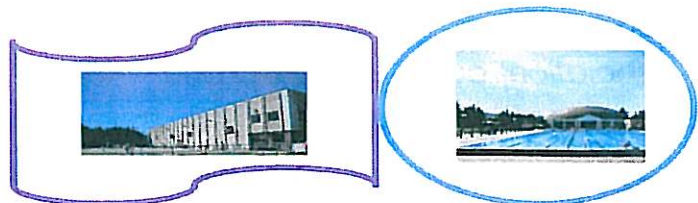

Let's start with the Church. It's very big and modern; it's about 50 years old.

Behind the Church there is our Primary School "Giuseppe Mazzini" and next to the Church there is a Nursery School "Le Margherite". Opposite the Church there is the Secondary School "Arunte Volumnio" and next to this school there is the "Ponteland" park with a lot of trees and a playground.

In Ponte San Giovanni there are many buildings, supermarkets and shops where you can find everything.

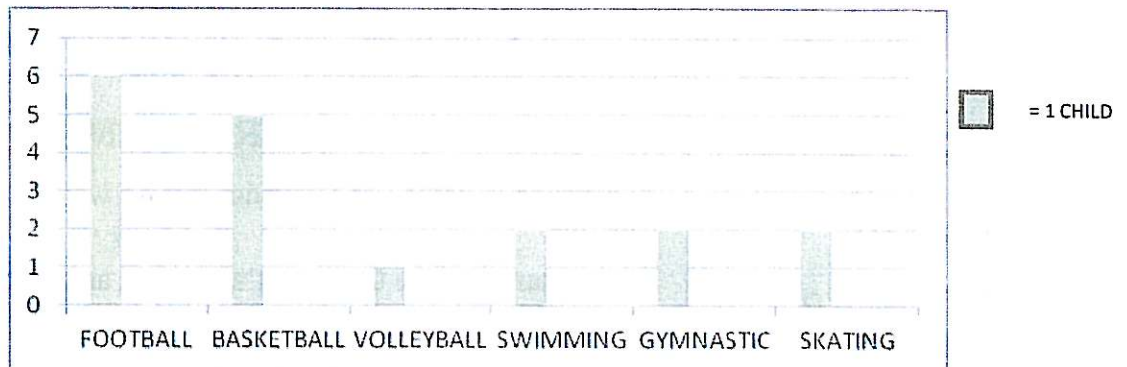

In our town there is a big swimming-pool and a sport-centre for basketball and volleyball; another one is for football and another one is for artistic gymnastic, judo and skating.

Unfortunately in our town there aren't a hospital and a museum but especially there isn't a CiNeMa!

WE LOVE SPORTS

THE SPORT IS VERY IMPORTANT AND WE CHILDREN LOVE SPORTS. THE IMPORTANT THING IS TO PLAY TO HAVE FUN, RESPECTING THE RULES AND OTHER PLAYERS FOR A FAIR PLAY.

IN OUR CLASS WE CAN PLAY:

IN THIS YEAR THE 'PONTE VECCHIO' BASKET TEAM IS AT THE TOP AND THERE IS AN IMPORTANT MEETING : THE MINI-CONTEST WITH OTHERS TEAMS 'PONTE VALLECEPPI, GUALDO TADINO, GUBBIO, MADONNA ALTA, FOLIGNO'. SATURDAY 8TH AND SUNDAY 9TH ON JUNE 2013, AT THE 15:30, WE WAIT FOR YOU!

THE 'PONTE SAN GIOVANNI' GYMNASTIC TEAM ON 21ST AND 22ND JUNE IS IN PESARO FOR NATIONAL GAME!

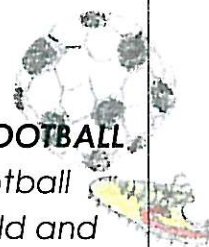

THE REGIONAL MEETING FOR 'PONTEVECCHIO' SWIMMING TEAM IS ON 15TH JUNE IN CITTA' DI CASTELLO!

POPULAR BRITISH SPORTS

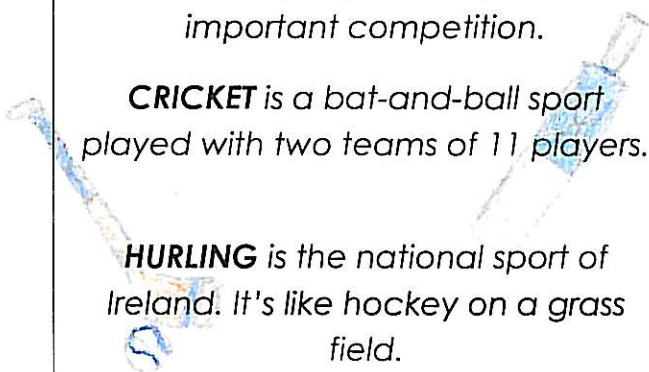

A very popular sport in the UK is **RUGBY**. The ball is not round, but oval-shaped.

In England there are many **FOOTBALL** competitions. The FA (Football Association) cup is a very old and important competition.

CRICKET is a bat-and-ball sport played with two teams of 11 players.

HURLING is the national sport of Ireland. It's like hockey on a grass field.

FREE YOUR FANTASY!

There are many things children can do in their free time, but we prefer:

Playing computer games

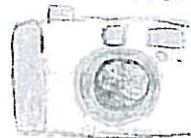

Riding a bike

Listening to music

Taking photos

Singing and dancing

Watching TV

Painting
